

21st International Conference on Information and Communication Systems (I4CS 2024)

Bamberg, Germany

May 26-28, 2024

The 21st International Conference on Information and Communication Systems (I4CS 2024) will be held in Bamberg, Germany, from May 26 to 28, 2024. The conference will bring together researchers, practitioners, and industry leaders to discuss the latest advances in information and communication systems.

The conference will cover a wide range of topics, including:

Innovations for Community Services: 21st International Conference, I4CS 2024, Bamberg, Germany, May 26–28, 2024, Proceedings (Communications in Computer and Information Science Book 1404) by Jacqueline Rayner

Print length : 286 pages

- Computer networks
- Data communication

- Information security
- Multimedia systems
- Software engineering
- Wireless communications

The conference will feature keynote speeches by leading experts in the field, as well as technical sessions, workshops, and tutorials. There will also be a number of social events, including a welcome reception, a banquet, and a guided tour of Bamberg.

Bamberg is a beautiful city located in the heart of Bavaria. It is home to a number of historical and cultural attractions, including the Bamberg Cathedral, the New Residenz, and the Old Town Hall. Bamberg is also a major center of education and research, with a number of universities and research institutes located in the city.

The I4CS 2024 conference is a great opportunity to learn about the latest advances in information and communication systems, and to network with other researchers, practitioners, and industry leaders. We encourage you to submit a paper or abstract to the conference, and to attend the event in Bamberg.

Important Dates

- Paper submission deadline: January 15, 2024
- Notification of acceptance: March 15, 2024
- Camera-ready paper deadline: April 15, 2024
- Conference dates: May 26-28, 2024
