And Here Am Oberon is a modern play that reimagines Shakespeare's *A Midsummer Night's Dream* in a contemporary setting. The play was written by Irish playwright Conor McPherson in 2001 and has been performed around the world to critical acclaim. McPherson's adaptation is a faithful retelling of the original story, but it also updates the language and setting to make the play more accessible to modern audiences.

The play follows the story of four young lovers who are caught up in a magical love triangle. Demetrius is in love with Helena, but Helena is in love with Lysander. Lysander is in love with Hermia, but Hermia is in love with Demetrius. Oberon, the king of the fairies, uses his magic to help the lovers find their true love.
