This method book was written by renowned French horn player and teacher, Philip Farkas. Farkas has over 50 years of experience teaching French horn, and he has developed a method that is both effective and enjoyable.

## What's Included in the Breeze Easy Method?

The Breeze Easy Method for French Horn Blowers is a four-volume method that covers all the basics of playing the French horn, from holding the instrument to playing advanced techniques.

**Volume 1** introduces the basics of playing the French horn, including how to hold the instrument, how to produce a sound, and how to read music.

**Volume 2** covers more advanced techniques, such as slurring, tonguing, and playing in different registers.

**Volume 3** focuses on developing your musicality, with exercises and etudes that will help you improve your tone, intonation, and phrasing.

**Volume 4** is a collection of solos and duets that you can use to practice your skills and show off your progress.

## **Benefits of the Breeze Easy Method**

There are many benefits to using the Breeze Easy Method for French Horn Blowers, including:

- **It's easy to follow.** The method is written in a clear and concise style, with plenty of illustrations and examples.
- **It's comprehensive.** The method covers all the basics of playing the French horn, from holding the instrument to playing advanced techniques.
- **It's effective.** The method has been used by thousands of students to learn how to play the French horn.
- **It's enjoyable.** The method is full of exercises and etudes that are both challenging and fun to play.

## **Drawbacks of the Breeze Easy Method**

There are a few potential drawbacks to the Breeze Easy Method for French Horn Blowers, including:

- **It can be expensive.** The four-volume method costs around \$100, which can be a significant investment for some students.
- **It's not a substitute for a teacher.** While the method is self-paced, it's still important to have a teacher to provide feedback and guidance.

## Overall Impression

The Breeze Easy Method for French Horn Blowers is a comprehensive and easy-to-follow method book that is perfect for beginners and intermediate players. The method is well-written, effective, and enjoyable to use. While it can be expensive, it's a worthwhile investment for any French horn player who wants to improve their skills.
