Melike Yurttas: A Visionary Entrepreneur

Melike Yurttas was born in Istanbul, Turkey. She moved to the United States in 1995 to study art at the University of California, Berkeley. After graduating, she worked as a graphic designer and art director for several years.

In 2007, Yurttas founded Fiber Mache Inc. She started the company with a mission to create beautiful and sustainable products. She uses recycled

materials to make her products, and she employs traditional Turkish techniques.

Yurttas is a visionary entrepreneur who has a passion for her work. She is committed to creating products that are both beautiful and sustainable. She is also a strong advocate for the arts and for environmental protection.

Fiber Mache: A Unique and Sustainable Material

Fiber mache is a composite material made from recycled paper and glue. It is a strong and durable material that can be used to create a variety of products.

Yurttas uses fiber mache to create a variety of products, including furniture, lighting, and home décor. Her products are known for their beauty and their sustainability.

Fiber mache is a sustainable material because it is made from recycled materials. It is also a biodegradable material, which means that it will not pollute the environment.

The Benefits of Fiber Mache Products

Fiber mache products offer a number of benefits, including:

- **Durability:** Fiber mache products are strong and durable. They can withstand everyday use and are resistant to damage.
- **Sustainability:** Fiber mache products are made from recycled materials and are biodegradable. They are a good choice for people who are looking to reduce their environmental impact.

- **Beauty:** Fiber mache products are beautiful and stylish. They are a great way to add a touch of unique style to your home.
- **Affordability:** Fiber mache products are affordable. They are a good value for your money.

Fiber Mache Inc.: A Commitment to Sustainability

Fiber Mache Inc. is committed to sustainability. The company uses recycled materials to make its products, and it employs eco-friendly practices.

Yurttas is a strong advocate for environmental protection. She believes that businesses have a responsibility to reduce their environmental impact.

Fiber Mache Inc. is a role model for other businesses. The company shows that it is possible to create beautiful and sustainable products without sacrificing quality or affordability.

Fiber Mache Inc. is a company that is making a difference in the world. The company's products are beautiful, sustainable, and affordable.

Yurttas is a visionary entrepreneur who is committed to creating a better future. She is a role model for other business leaders who are looking to make a positive impact on the world.
