Robin Cook is a master of the medical thriller, and his latest novel, *Invasion*, is no exception. This fast-paced, action-packed story will keep you guessing until the very end.

Invasion tells the story of Dr. Jack Stapleton, a brilliant but troubled neurosurgeon. When a mysterious virus begins to spread through the hospital where he works, Jack is one of the first to suspect that something is amiss.

As the virus spreads, Jack and his colleagues must race against time to find a cure. But the virus is unlike anything they've ever seen before, and it's quickly becoming clear that it's more than just a medical threat.

Jack soon realizes that the virus is part of a larger conspiracy, and that the fate of the world hangs in the balance. With the help of a small group of allies, Jack must stop the virus before it's too late.

Invasion is a gripping medical thriller that will keep you on the edge of your seat from beginning to end. Robin Cook is a master of suspense, and he knows how to create characters that you can't help but root for.
