The Complete Songbook is the definitive collection of Steely Dan's music. This massive volume features every song the band has ever recorded, along with detailed analysis and commentary from the editors of Life magazine. The book is a must-have for any fan of Steely Dan.

The Songs

The Complete Songbook includes over 100 Steely Dan songs, spanning the band's entire career. The songs are arranged chronologically, so you can follow the band's evolution from their early days as a jazz-rock fusion band to their later, more pop-oriented sound.

Each song is accompanied by a detailed analysis from the editors of Life magazine. These analyses provide insights into the song's lyrics, music, and recording. The editors also discuss the song's historical context and its impact on popular culture.

The Commentary

The commentary in The Complete Songbook is written by a team of experts on Steely Dan. These experts include musicians, journalists, and historians. Their insights provide a unique perspective on the band's music.

The commentary is not just limited to the songs themselves. The editors of Life magazine also discuss the band's history, their influences, and their legacy. This information provides a deeper understanding of Steely Dan and their place in the history of music.

The

The Complete Songbook is the ultimate resource for Steely Dan fans. This comprehensive collection features every song the band has ever recorded, along with detailed analysis and commentary from the editors of Life magazine. The book is a must-have for any fan of this legendary jazz-rock duo.
