

# The Puppy Rescue That Must Love Dogs: A Heartwarming Tail

The Puppy Rescue that Must Love Dogs is an organization dedicated to rescuing and caring for abandoned and neglected puppies. They provide a safe and loving environment for these animals, and work to find them forever homes.

The organization was founded in 2005 by a group of volunteers who were concerned about the number of abandoned and neglected puppies in their community. They started out by taking in a few puppies at a time, but soon realized that there was a much greater need for their services.
